A-Z Game - use categories as above - work through alphabet in turn.

Pass the monsters

- each player draws head - fold down strip of paper
- body + arms, swap again
- legs
- feet

Rolling Stone - remove 2s, 3s, 4s, 5s, 6s - Ace high

Deal 8 cards - sort by suit
Play 1 card face up - next player places card of same suit - keep going until can't play.
That player takes cards - winner is first to run out of cards.

I doubt it

Deal each player equal cards
1st play 1 or more cards - say 1 or more aces
- next player Kings, Queens etc - can't pass.
Any player can challenge - I doubt it - if true pick discard pile - first to get rid of all cards.
